On the East Course, elite players can play from the gold tees, where the course measures 7,138 yards or the West Course which is a testing track and is slightly narrower. Both championship standard courses will provide a great test of golf to guests and combine to make a truly enjoyable golf break.

Restaurant & Bars

Have a sumptuous evening meal and relax in the Hunningtons Restaurant and Carvery, where the open-plan restaurant is the perfect environment to take in the panoramic views. Alternatively, there is also an option to upgrade your meal to eat in the Pavillion Restaurant, the recipient of two AA Rosettes. For a more relaxed environment, we suggest having a casual drink in either The Lounge Bar or Ryder Bar. When the weather is nice, the terrace at the Ryder Bar is the perfect 19th hole to drink in the views.
